

Moxi Engage - Add client to running campaign

This guide will help you to understand how to add a new person onto a running campaign.

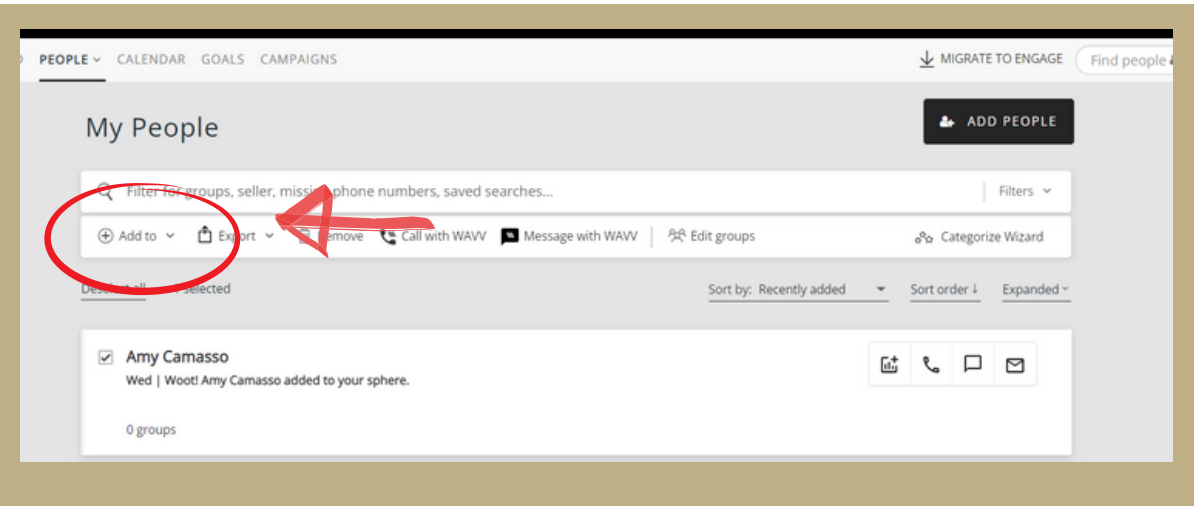

- Log onto Moxi Engage..
- Click on people, then my people

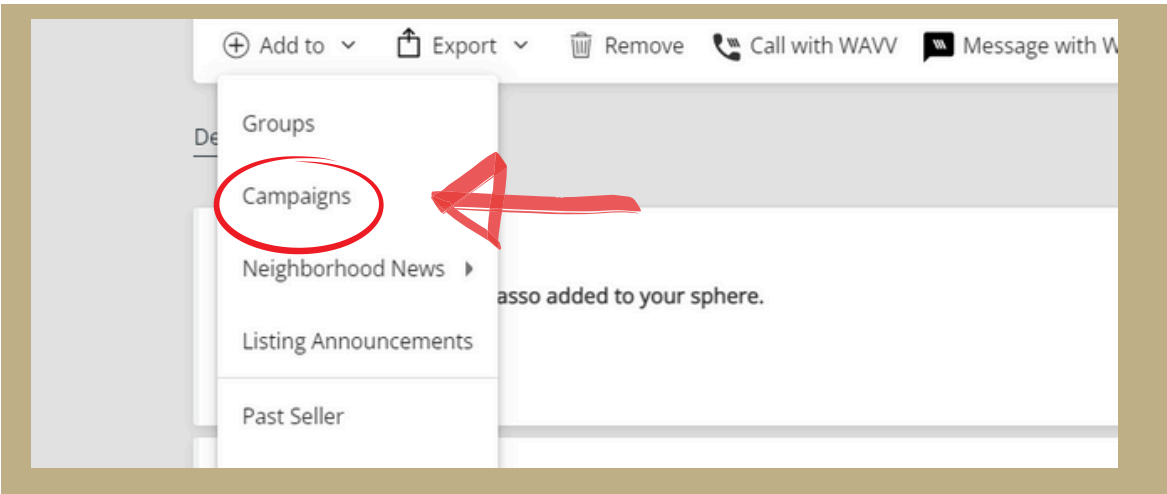

- Next, Select the person you want to add to the campaign (this can be as many as you would like to!)

- Next, Click the ad to button

- Next, click campaigns

- Finally, select the campaign you would like to add them too, and finish by clicking done
